

SUMMER

Intensive Literacy Camp

Created and designed for students:

- entering 1st – 6th grade during the 2019/20 school year.
- identified “at-risk” by FAST (or equivalent) fluency assessment, or struggling to meet and stay at grade-level expectations.
- that strongly benefit from a class ratio of 1:4 or less; with daily diagnostic teaching to accommodate the learning pace of each individual. Focus areas include sound-to-symbol awareness, phonemic awareness, phonics, reading comprehension, fluency, vocabulary, spelling and writing.
- and families committed to a six-week, two-hour camp that includes an hour-and-a-half of science-based Orton-Gillingham literacy instruction and an additional 30 minutes of multi-sensory, science-based sight word work.

We achieve results!

Students improved an average of over 8 months in complex passage comprehension.

TPE

Program includes:

Session package with Orton-Gillingham instruction, progress monitoring, final progress report and parent consultation.

Camp dates:

June 10 - July 26, 2019 (Monday - Friday)

*No classes held July 1 - 5.

**Five (5) make-up sessions allowed.

Session time: 9:30 - 11:30 AM

Registration: 515-218-8445 or ccondonyu@truepotentiald.com
